

## **DISCIPLESHIP PROCESS – THE WHEEL**

The "Wheel" is a good visual example of the process. As you discuss the stages of growth, be sure to discuss the three roles being played out within each stage:

- **My part** – What is my part as the one discipling the other person in each stage?
- **Their part** – What is the other person's part as the one being disciplined in each stage?
- **God's part** – What is God's part in each stage? How is God working, moving, guiding, drawing and directing throughout the entire process?
